- A.6 Matches may be played domestically and internationally on any golf course with a current calibration at any time during the Regular Season.
- A.7 Regular Season matches are played in the Net Match Play system (for holes won) with **3/4 of the Course HCP difference**, in accordance with the R&A Golf Rules and golf etiquette.
- A.8 The competition is open to an unlimited number of players.
- A.9 Registration should be made electronically on the Website available at <https://asl.golf> at any time until the end of the Regular Season – Q&A via the e-mail address asl@asl.golf.

- provided that each player is registered on the Website.
- A.14 The results of all registered players will be included in the Open Table, in addition, the results of players admitted to ASL competitions, including matches with OLG-only participants, will additionally be included in the ASL Table. The results of the club or friendly league participants will be included in an independent table of this league, classified depending on the organizer's guidelines.
- A.15 Local rules apply during the games.

Regular Season

- B.1 During the Regular Season, the basis for determining the number of extra handicap strokes is the player's HCP Index at the time of the match, according to the handicap base of any proper golf association (each player should have a valid handicap card).
- B.2 **The maximum HCP Index is 36.0.** Players with a higher handicap play with HCP Index of 36.0.
- B.3 Playing from any tees (but not higher than allowed by local rules).
- B.4 The extra strokes the player with the higher handicap receives is calculated by taking 3/4 of the difference in the Course HCPs and rounding the result to an integer; in the case of n.25 to n (e.g. 2.25 = 2), for the result n.5 or n.75 to n+1 (e.g. 4.5 = 5) as in the following example:
Player A: HCP Index = 14.9; Course HCP = 18
Player B: HCP Index = 22.2; Course HCP = 27
Extra strokes = 0.75 x (27-18) = 0.75 x 9 = 6.75 and rounded up to 7.
- B.5 Player B receives 1 extra stroke on the 7 most difficult holes of the course according to the Stroke Index (shown on the scorecard). An extra stroke for Player B means e.g. that Player A wants to win a hole with an advantage of Player B must score 2 gross strokes lower than opponent, when a score 1 gross stroke lower means a hole tied (A/S) and with the same number of strokes gross Player A loses the hole.
- B.6 During registration, the player provides his Home course name, i.e. indicates the golf course where he is a member in a given year (in the case of more than one right to play points at only one of them), or in the absence of membership, the golf course where he will most often play matches.
- B.7 If during the Regular Season a match is played on the Home course (visible on the Website available at <https://asl.golf>) of only one player, the number of extra strokes in the match is reduced by 2 strokes (in the case of the player with the higher HCP Index on his/her Home course) or increased by 2 stroke (in the case of a player with a lower HCP Index on his/her Home course).
For example, if the number of additional strokes resulting from 3/4 of the Course HCP difference is 7, then in the case of a player with a higher HCP Index (e.g. 22.2 as above) playing at home, we reduce the advantage to 5 strokes, and if the match takes place at the Home course of a player with a lower HCP Index (e.g. 14.9 as above), we increase the advantage to 9 strokes. The rule also applies to matches in pairs, as long as the match takes place on the home field of at least one of the players.
- B.8 The winner of the match is the player who wins the greater number of 18 holes. The match is considered settled if the advantage of one of the players is greater than the number of holes left to be played, e.g. Player A after 16 holes played leads by 3 holes (3 up), when only 2 holes remain to be played, the match is therefore settled and ended on hole #16 and the score is 3&2 for Player A.
- B.9 The match may end in a draw, in which case the score of the match is A/S.
- B.10 The result of the match should be entered on the website <https://asl.golf> in the "Scores" tab. There is no obligation to report a match before it is played. The result must be reported within 7 days from the date of the match.
- B.11 In addition, on the Website available at <https://asl.golf>, in the "Invitations to the match" tab or on the fb group, information about proposals to play the match can be posted. Players should contact each other in any way (e.g. via the Website, fb group, Messenger, Whatsapp, etc.) and agree on a date and place of the match that suits everyone.
- B.12 Regular Season scoring is based on big points (BP) and small points (SP), as follows:
- A/S = 1 BP (0 SP)
 - 1up, 2&1 or 2up win = 2BP (1 SP for 1up and 2 SP for 2&1 or 2up)
 - 3&1, 3&2, 4&2 or 4&3 win = 3BP (3 SP for 3&1 or 3&2 and 4 SP for 4&2 or 4&3)
 - 5&3, 5&4, 6&4, 6&5, 7&5 or 7&6 win = 4BP (5 SP each)
 - 8&6, 8&7, 9&7, 9&8 or 10&8 win = 5 BP (5 SP each)
 - loss = 0 BP (-1 to -5 SP as the inverse of the winning player's SP score).

- B.13 For winning the match, the player receives the appropriate amount of BP and SP equal to his advantage. For example, if the match ends 4&3, the winning player gets 3 BP and 4 SP.
- B.14 For a lost match, the player receives 0 BP and as many negative SP as the winner's advantage. For example, if the match ends 4&3, the losing player gets 0 BP and -4 SP.
- B.15 The maximum number of SP in a single match is 5, i.e. if a player wins a 7&6 they will receive 5 BP and 5 SP and the losing player will receive 0 BP and -5 SP appropriately.
- B.16 The Regular Season classification includes matches played according to pt. A.13 above.
- B.17 **3 is the maximum number of ranked first matches with the same person in one Regular Season.**
- B.18 **A minimum of 6 Regular Season matches is required to qualify for the ASL Final Round**, regardless of where the final Regular Season standings are placed.
- B.19 It is recommended to write down the results of matches during the Regular Season. Players mark the scores for individual holes on the card and indicate the winning hole, e.g. with the symbols: "+", "-", and in the case of a tied hole, "o". Players' data can be entered on the scorecard, signed and a photo can be sent to asl@asl.golf.
- B.20 **The player's best 12 scores count towards the final standings of the Regular Season**, and the standings at the end of the Regular Season are determined in order of:
- higher number of big points (BP)
 - higher number of small points (SP)
 - higher number of wins in the entire Regular Season (also over 20 games)
 - a lower HCP Index
 - drawing lots.

- C.7 The basis for determining the number of extra handicap strokes is the player's HCP Index as at the start of the Final Round, according to the handicap base of any proper golf association. The extra strokes the player with the higher handicap receives is calculated by taking 3/4 of the difference in the Course HCPs and rounding the result to an integer; in the case of n.25 to n (e.g. 2.25 = 2), for the result n.5 or n.75 to n+1 (e.g. 4.5 = 5). The Home course rule does not apply.
- C.8 A match on Finals Day must be settled in Play-Off starting from the 1st hole.
- C.9 In Play-Off, the "Sudden Death" rule applies, i.e. the game is won by the player who first wins the next hole, taking into account 3/4 of the difference in Course HCPs.
- C.10 Players mark the scores for individual holes on the card and indicate the winning hole, e.g. with the symbols: "+", "-", and in the case of a tied hole, "o". At the end of the round, players enter the agreed score and, together with the signatures of both of them, hand over the scorecard to the organizer.
